### Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — Computer Sciences Corporation (CSC) of San Diego is being awarded a \$20,478,289.00 indefinite delivery/indefinite quantity-type contract with cost-plus-fixed-fee pricing for engineering services in support of Command, Control, Communications and Intelligence (C4I) system integration and operational support. Specific efforts include systems integration engineering to technically plan for, implement and gain acceptance of C4I components integrated into Navy, Joint and National C4I systems. The contractor will be teaming with EDSI of Yorba Linda, California. This will be a five-year contract with no options. The period of performance will be from September 7, 2000 to September 6, 2005. All work will be performed in San Diego. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured via the SPAWAR e-commerce web site with six offers received. This award is one of three contracts awarded under Solicitation No. N66001-00-R-5025. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-00-D-5025).
